

Support National Opera Patrons and Friends

National Opera is a registered charity and opera company based in Canberra. It provides opportunities for artists to develop and perform their craft in a supportive environment of professionalism, collaboration and connection.

By becoming a supporting National Opera you will be investing in the growth and security of the future of opera in Canberra and in Australia. Through your investment we will build a solid foundation and will be able to provide ongoing opportunities for artists for the future.

How can you support National Opera

By signing up for a 12-month subscription with National Opera, you can help us to achieve our objectives and create inspiring art for the Canberra community.
